ADMIRALS —
GO FOR IT!!!

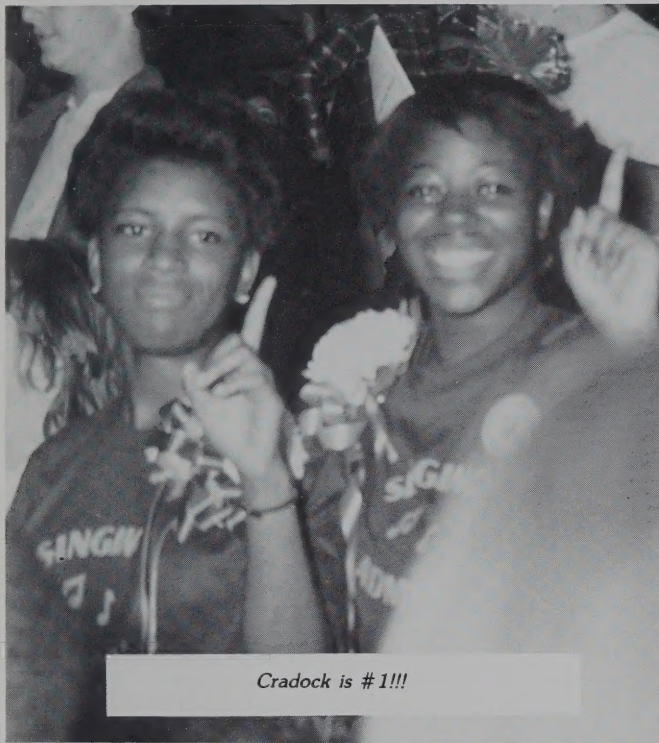

THE 1984 CRADOCK ADMIRAL IS DEDICATED TO MRS. CAROLE PLATT

Mrs. Carole Platt has been teaching Art at Cradock High School for 18 ½ years. During that time she has maintained the inside of our building by keeping attractive bulletin boards and showcases. She is constantly asked to draw, paint or design something for the faculty, staff and the students; and she always answers YES. Finally, every year she plans a special luncheon during American Education Week in honor of retired faculty and staff members. We are proud to dedicate the 1984 ADMIRAL in recognition of her loyalty and devotion to Cradock High School.

AMBER

*The death of a friend is hard to accept;
The laughing, the crying, the tears and
smiles will remain in mem'ty — forever kept,
And sadness will prevail for a long while.
Sad songs will be sung by all those who care
In the loving mem'ry of one so dear.
This untimely death does not seem fair
For she who is gone was young while here.
The years will go by — the mem'ries will grow,
And within us our hearts will always rain,
Tears of a lost one whom we all did know,
And pain that is felt will always remain.
But the love and friendship that were once
made will forever be here — and never fade.*

The Student Cooperative Association is the backbone of all Cradock's activities. Among it's activities are the Blood Drive, The Childrens Christmas Party, the Thanksgiving Food Drive, and finally the end-of-the-year Miss Cradock Pageant.
